Priorities Leadership agenda & Narratives

November 21, 2024

Global Virtual Symposium for Procurement Professionals

Welcome to **PLAN**, (Priorities, Leadership Agenda and Narratives) – the ultimate convergence of innovation, strategic insight, and inspiration for procurement professionals that helps you strategize for your upcoming year.

As forward-thinking procurement leaders & practitioners, you strive to unlock **'Deep Value'** from your digital transformation endeavors. This year, PLAN will empower you to explore the latest trends and strategies in GenAI to achieve this goal.

Join an exclusive global network of experts, C-suite executives, and thought leaders as we support your journey towards a more efficient, effective, and impactful procurement function.

Be part of the procurement revolution. Be at PLAN.
