Global Virtual Symposium
for Procurement Professionals

Welcome to **PLaN** (Priorities, Leadership agenda and Narratives) – the global convergence of innovation, strategy, and foresight for procurement leaders preparing for the future.

This year, PLaN takes you **Beyond S2P to I2O** – shifting the focus from processes to outcomes. Powered by **Agentic AI**, procurement is moving into an era where intake becomes effortless and outcomes are realized automatically.

Join a worldwide network of C-suite executives, innovators, and thought leaders to uncover how autonomous agents, predictive intelligence, and self-optimizing supply chains are redefining procurement. Together, we'll shape the Age of Outcomes.

Be part of the next procurement revolution. Be at PLaN.
